PROFESSIONAL SUMMARY

Junior Frontend Developer with hands-on experience building **responsive**, **user-friendly web applications** using **JavaScript (ES6+)**, **TypeScript**, **React.js**, **HTML5**, **CSS3**, and **Tailwind CSS**. Strong foundation in **UI/UX implementation**, **component-based architecture**, **DOM manipulation**, and **REST API integration**. Currently pursuing a **Bachelor of Science in Computer Science** and eager to contribute and grow in a collaborative development environment.

TECHNICAL SKILLS

Languages: HTML, CSS3, JavaScript (ES6+), TypeScript, Python (Basic), C
Frontend Frameworks & Library: React, Tailwind CSS, Bootstrap
Styling & Preprocessors: Sass, CSS Modules, Responsive Design
Tools: Git, GitHub, VS Code, Canva, Figma (Familiar)
Practices: Mobile-First Development, REST API Integration, Performance Optimization, Accessibility (WCAG basics)

PROJECTS

Personal Portfolio Website | Live Demo | GitHub

- Built a fully responsive portfolio using React.js, Tailwind CSS, and Framer Motion to showcase projects and skills with smooth animations.
- Developed reusable components with a focus on clean architecture, cross-browser compatibility, and performance optimization.

Smart Expense Tracker | Live Demo | GitHub

- Developed a mobile-first expense tracking application using HTML5, CSS3, and JavaScript (ES6+) with interactive features such as touch gestures and swipe-based currency selection.
- Implemented real-time expense handling with a focus on user experience and intuitive interface design.

PFC Menu UI Recreation | Live Demo | GitHub

- Recreated a responsive UI design using Flexbox, CSS Grid, and CSS animations.
- Built reusable UI components with hover effects and smooth transitions, implementing semantic HTML and accessibility best practices (keyboard navigation, ARIA labels) for WCAG compliance.

EXPERIENCE

Frontend Developer (Self-Learning Projects) | Independent
Abu Dhabi, UAE | Jan 2025 – Present

- Developed responsive web applications using HTML, CSS, JavaScript, React, and Tailwind CSS, translating UI/UX designs into reusable components.
- Improved application performance, accessibility, and cross-browser compatibility through testing and optimization.
- Managed development workflow using Git and GitHub while continuously building and improving front-end projects.

Senior Sales Associate | Alshaya Group
Abu Dhabi, UAE | May 2014 – Dec 2024

- Cultivated strong customer service, communication, and problem-solving skills in a fast-paced sales environment.
- Developed transferable skills in team collaboration, leadership, and time management.
